

OVERVIEW OF LIONHEART GROUP OF LIMITED COMPANIES

LionHeart group of Limited Companies are all individual companies supporting each other in their day-to-day running of their businesses and are able to second staff from each company to another as needed.

LionHeart Recruitment LTD has been providing support to our customers for just under three years now and has successful contracts with a number of providers around London, Havering, Hertfordshire, Kent and Middlesex areas.

We supply all types of staff to a number of different Health & Social Care Sectors on Permanent, Temporary and Emergency Cover assignments.

The types of staff we have supplied in the past have included Care Managers, Support Workers Cleaners & Domestic, Administrators, as well as Team leaders and Qualified Nursing Staff.

LionHeart In The Community LTD has also been providing support in Training and Development Needs for the Care Sector since 2009 and has just opened up our own Training Centre in Brixton, South London.

This part of the company also helps in Advice and Welfare To Work information for those people with a Learning Disability.

Furthermore, we are also looking at opening a new Social Inclusion Group which would be open to all people, but aimed primarily at those within Supported Housing/Residential Homes to access the community in the evenings and develop new friendships.

LionHeart Domiciliary Care Services LTD is as stated a Domiciliary Care Service providing Care and Support to all those who require it on an hourly basis.

The Care provided may be on a regular basis, such as supporting someone to attend a regular Social Community activity, or help with planning and shopping for the weekly menu, to the one off appointments such as Hospital Appointments.

We can provide staffing 24hrs a day if required and can work with individuals or a group of people, helping to reduce costs accordingly.

These costs can either be funded by the Individuals themselves, Direct Payments or Local Authorities dependant on the individuals' circumstances.

Each individual is assessed for which services they require and when. Then a formal plan is put in place and reviewed at regular intervals.
